MOON QUASAR

PLAYING RULES

- ★ The game may be played by 1 or 2 people.
- ★ Insert coin.
- ★ Select 1 or 2 player button.
- ★ Shoot down the attacking enemy by pushing the firing button, slide the ROCKET to the right or left by moving the control lever.
- ★ Extra ROCKETS (No. 1, 2, 3) will be awarded if the score gained exceeds the pre-set points.
- ★ The game is over when all ROCKETS have been destroyed.
- ★ You can leave your name (5 highest scores) on the screen to register your success (MIN. 5000 pts.) against the invading aliens.
- ★ When the game is over and if the numbers are fitted the lower part of three figurs of your points and the numbers of the lower part of right side on the screen, extra rockets will be awarded.

Docking • Energy

- ★ The object of the mission is to succeed in docking the first stage ROCKET with the 2nd and 3rd stage.
- ★ When "Energy time" sign is indicated, please land on the station nicely for replenishment energy with control lever and firing button.
